

WHOLISTIC™ AGRICULTURE/VITICULTURE CONFERENCE 2007

Friday, Saturday & Sunday, March 9, 10 & 11
Presented by GW Agriculture and Wholistic™ Productions
At The Heard Natural Science Museum & Wildlife Sanctuary
1 Nature Place, McKinney, TX 75069

• LEARN HOW TO •

Prevent and Cure any plant disease, anywhere, anytime.

Prevent specific weeds and GMO/GE crops from growing on your property.

Increase Yields and Quality, Eliminate Disease and Insect Problems, Lower Costs and Increase Profit

Accomplish All This Without Chemicals, Poisons, Pesticides or GMO's

Become Certified Wholistically Grown™

Friday, March 9, 7:00 to 9:30 - EDUCATE YOUR PALATE! Wine and food tasting seminar with internationally acclaimed, certified organic winemaker and viticulturist **Michael Topolos** of Glen Ellen, California.

Saturday, March 10, 9:00 to 12:00 noon, 1:00 to 2:45 and 3:15 to 5:00 - CREATE YOUR OWN WHOLISTIC™ FARM, VINEYARD, LANDSCAPE OR GARDEN. **Greg Willis**, with **Damon Lesjack**, will, step-by-step, walk you through the fundamentals and advanced use of the miraculous Steiner-Willis Field Sprays, medicinal compost formulas and our highly sophisticated cover crop and companion plant program. **Greg Willis is the only man in history to discover the cure for plant disease.** Includes Wholistic™ greenhouse, vineyard, garden and farm field design, hydroponic applications and an introduction to our ultra high technology Herbal Miracles™.

Saturday Evening, March 10, 7 to 9:30 - LEGENDS OF AGRICULTURE. Come listen to and meet **Harvey Lisle**, **Peter Bacchus** and **Michael Topolos** talk about their combined 150 years of experience with farming and life. Not to be missed.

Sunday Morning, March 11, 9:00 to 12:00 noon - THE PRACTICUM. Hands-on use of spray equipment, medicinal compost and compost tea making, cover crop formulation, weed pepper sprays, making your own field sprays, homeopathic dilution and succession technology, remote spraying and detoxifying your land.

Drawing at the end of the Conference: Grand prize is \$1,000 worth of GW Agriculture™ Field Sprays. Second prize is \$500 in GW Agriculture™ Field Sprays. Third prize is \$300 worth of GW Agriculture™ Field Sprays.

CD's, DVD's, Field Sprays, Books and other publications of the Seminars will be available at the Conference. Certificates of Completion as a Certified Wholistic™ Farmer, Gardener or Vineyard Manager will be presented.

Wholistic™ Agriculture and Viticulture is an easy-to-learn, inexpensive **CROP MANAGEMENT SYSTEM** comprised of ultra high technology, environmentally beneficial products, innovative and practical techniques and sound crop management plans that allow farmers and gardeners to gain total control over their crops, their costs and their profits without chemicals, poisons, pesticides or GMO's. It works equally well to enhance conventional chemical, organic, sustainable, biodynamic, natural, permaculture and biological farming methods.

**WHOLISTIC™ AGRICULTURE AND WHOLISTIC™ VITICULTURE ARE THE MOST
ADVANCED METHODS OF FARMING EVER CREATED.**

IF YOU WANT TO BE ON THE CUTTING EDGE OF AGRICULTURAL SCIENCE, YOU MUST ATTEND!

The cost of the Conference is \$197 if you register before February 15, \$247 thereafter and \$297 at the door. The first 24 to register get free Discovery Kits. Lunch will be served on Saturday. Plenty of sleeping and eating accommodations available locally. Only 50 minutes from DFW airport. Each attendee will receive a free **Workbook** for future reference and a free **\$20 sample kit** of the agricultural remedies when you register.
